Memorial Wall Fundraiser

In December 2006, the Wilmington Police Department moved into its new 88,000 sq. ft. building at 615 Bess St. This state of the art facility is second to none for departments in our region. The employees of WPD desire to build a memorial wall on the grounds to honor those Wilmington officers who gave the ultimate sacrifice for the citizenry. The memorial wall project is under the direction of the Wilmington Police Recreation Association. The memorial has been designed and approved. We now are attempting to solicit money from the private sector to fund this project.

On November 1, 2008, two WPD officers and one Wrightsville Beach officer will compete in the B2B Ironman Triathlon in Wilmington. This team of officers is competing to honor those Wilmington policemen killed in the line of duty while also attempting to raise cash for the foundation. We ask that you please consider giving to this worthwhile project as a means of showing appreciation to all the dedicated men and women who have sworn to protect and serve the citizens of Wilmington.

Thank you in advance for your consideration and contribution.
